throughout. A reverse cycle air-conditioning system with 6 outlets maintains the perfect ambient temperature.

The bathroom is in good order and there's a 2nd toilet off the large laundry for convenience.

Outside, you'd be mistaken for thinking you were anywhere but on a quiet country setting. Beyond the veranda (a great entertaining space) is the properties' second lawn area - perfect for the kids to play backyard cricket or practice their soccer skills. A long concrete driveway not only provides vehicle parking with a carport high enough for a caravan but makes for a fabulous area to play basketball or try out the training wheels within the safety of a fully fenced property. Nestled within the mature trees is a chook pen, where the 'girls' provide fresh eggs daily and there's a choice of 2 sheds for hobbies or to store your things.

This is a property that gives and gives - what a perfect place to retire into or raise your family.

Just a stone's throw from Linden Park Primary School and Glenunga High Schools, on a larger than average block, in an upmarket and quiet street, inspection won't disappoint!
