For those who appreciate exceptional shedding, prepare to be impressed. The near new three bay shed is a dream setup: two roller doors for easy access and a dedicated workshop bay with windows perfectly framing the natural surroundings.

Additionally, a new carport adds more practicality for vehicles or extra storage for trailers, etc.

At the rear, the appeal only grows. A new skillion roof pergola offers a fantastic entertaining space overlooking a lush, flat, fully fenced lawn, ideal for kids and pets. Beyond this fence the property continues into a nature wonderland. Towering gums, abundant birdlife, koalas and an incredible valley vista combine to create a setting that feels worlds away, yet only 12 minutes from Stirling. It's peaceful, private, undeniably beautiful - the perfect spot for Winter camp outs with the kids, huddled by a comfort fire.

Water supply is excellent, with 50,000L of rainwater storage, plus a bore delivering to its own 10,000L tank, a rare and valuable asset in the Adelaide Hills.

If you're seeking a warm, welcoming home with standout upgrades, brilliant shedding and a postcard worthy backdrop, this is a property is you really don't want to miss, being just 12mins to Stirling.
