There are two driveways, one leads into a garage that has an electric roller door and the other into the shed. Plus a huge undercover area at the rear, the infrastructure is extensive.

With low maintenance and safety in mind, this is a level block, with just 2 small steps, to the rear lawn area, where you'll find a little garden shed with concrete floor, fenced veggie garden (or chook run) and the washing line in full sun.

A delightful home, brilliant location and worth noting, there are polished timber floorboards under the floor coverings of the living room, kitchen and hallway, polished just before the new floor coverings were laid.

If you've been trying to get into tightly held Hahndorf, this exciting property is one not to be missed.
