'THE CABIN'

Welcome to the pages of your own romantic story. Where 'home' is a charming timber cabin, nestled amongst tall trees, within a safe and secure yard. There's warmth from the Nectre woodfire roaring in the living room and dinner is simmering on the large gas stove. Where exposed timber beams overhead and concrete floors underfoot create a mix of country wellness with modern conveniences. This isn't a fairy tale.... welcome to your very own 'Cabin'.

Sited well back from the quiet road, this large 861sqms of land is bordered by post and rail timber fencing, offering plenty of room for children and pets to stretch their legs. At the rear, the lush lawn meets red brick paving, creating an expansive entertaining space, under a full sized pergola that really is the perfect place to capture evening sunsets.

Inside, there's a holiday feel about this home. It's light, happy and surprisingly much bigger than expected. The 'Chris Bamford' kitchen is truly a statement with soft close drawers and plenty of bench and storage space. Large enough to create a feast for many with the help of a 5 burner gas cooktop, 900mm wide electric oven and Miele dishwasher when done.
